### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of Novato Charter School (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Novato Charter School and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Change in Accounting Principle**

As discussed in Note 1 to the financial statements, in 2023 the School adopted new accounting guidance for leases. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year. Our opinion is not modified with response to this matter.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

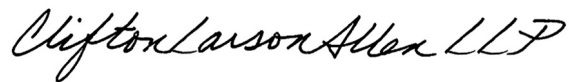

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the School’s financial statements as a whole. The supplementary information (as identified in the table of contents) accompanying supplementary schedules, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and, except for the portion marked “unaudited”, was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked “unaudited”, has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

**Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, we have also issued a report dated December 14, 2023 on our consideration of the School’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School’s internal control over financial reporting and compliance.

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Novato Charter School (the School) is a California nonprofit public benefit corporation and is organized to manage and operate a public K-8 charter school. The School is a community of parents and teachers using educational methods that inspire creativity, critical thinking, and motivated learning. The School began serving students in August 1996 and is sponsored by the Novato Unified School District (the District).

The School is funded principally through state of California public education monies received through the California Department of Education and the District. The charter may be revoked by the District for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

**Basis of Accounting**

The financial statements have been prepared on the accrual method of accounting and accordingly, reflect all significant receivables and liabilities.

**Basis of Presentation**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

**Functional Allocation of Expenses**

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, office expenses, printing and postage, information technology, and other expenses, which are allocated on the basis of estimates of time and effort.

**Cash and Cash Equivalents**

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Net Asset Classes**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Accounts Receivable**

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2023. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

**Property, Plant, and Equipment**

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. The range of useful lives is between 3 and 30 years.

**Revenue Recognition**

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contributions**

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair market value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. As of June 30, 2023, the School did not have any unearned revenue related to conditional grants.

**Property Taxes**

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

**Compensated Absences**

The School does not allow employees to carryover unused vacation. Accordingly, there were no accumulated compensated absence benefits at June 30, 2023.

**Income Taxes**

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School files an exempt School return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

**Leases**

The School leases certain equipment. The School determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position.

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Leases (Continued)**

ROU assets represent the School's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the School uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the School will exercise that option. The School has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

The School has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

The School's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, the School considers factors such as if the School has obtained substantially all of the rights to the underlying asset through exclusivity, if the School can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the School has elected to use a risk-free rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

**Adoption of New Accounting Standards**

In February 2016, the FASB issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The new standard increases transparency and comparability among organizations by requiring the recognition of ROU assets and lease liabilities on the statement of financial position. Most prominent of the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Adoption of New Accounting Standards (Continued)**

The School adopted the requirements of the guidance effective July 1, 2022 and has elected to apply the provisions of this standard to the beginning of the period of adoption with certain practical expedients available.

The School has elected to adopt the package of practical expedients available in the year of adoption. The School has elected to adopt the available practical expedient to use hindsight in determining the lease term and in assessing impairment of the School's ROU assets.

The School elected the available practical expedients to account for existing operating leases as operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

In addition, the School elected the hindsight practical expedient to determine the lease term for existing leases.

As a result of the adoption of the new lease accounting guidance, the School recognized on July 1, 2022 a ROU asset at the carrying amount of the lease asset of \$33,938. The School also recognized on July 1, 2022 a lease liability of \$33,938, which represents the present value of the remaining lease payments discounted using a weighted-average risk-free rate of 2.88%.

The standard had a material impact on the statement of financial position but did not have an impact on the statement of activities, nor the statement of cash flows. The most significant impact was the recognition of ROU assets and lease liabilities for operating leases.

**Evaluation of Subsequent Events**

The School has evaluated subsequent events through December 14, 2023, the date these financial statements were available to be issued.

**NOTE 2 LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and accounts receivable, less donor restricted net assets, for the total amount of \$1,159,879 .

As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 3 CONCENTRATION OF CREDIT RISK**

The School maintains cash in the County Treasury (the County). The County pools these funds with those of other educational organizations in the County and invests the cash. These pooled funds are carried at costs which approximates market value. Interest earned is deposited quarterly into participating funds. Any investment losses are proportionately shared by all funds in the pool. The County is authorized to deposit cash and invest excess funds by California Government Code Section 53648 et. seq. The funds maintained by the County are either secured by federal depository insurance or collateralized. The fair value of the School's deposits in this pool as of June 30, 2023, as provided by the pool sponsor, was \$760,745.

The School also maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

**NOTE 4 PROPERTY, PLANT, AND EQUIPMENT**

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. Depreciation expense was \$35,888 for the year ended June 30, 2023.

The components of property, plant, and equipment as of June 30, 2023 are as follows:

Building	\$ 952,137
Leasehold Improvements	<u>170,307</u>
Total	1,122,444
Less: Accumulated Depreciation and Amortization	<u>(478,898)</u>
Total Property, Plant, and Equipment	<u><u>\$ 643,546</u></u>

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 5 NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions are restricted for the following purposes or periods.

Subject to Expenditure for Specified Purpose:	
Arts, Music, Instructional Materials Block Grant	\$ 160,711
Educator Effectiveness	13,784
Total	<u>\$ 174,495</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose specified by the donors as follows for the years ended June 30:

Satisfaction of Purpose Restrictions:	
Expanded Learning Opportunities Program	\$ 50,000
Educator Effectiveness	8,782
Total	<u>\$ 58,782</u>

**NOTE 6 EMPLOYEE RETIREMENT**

**Multiemployer Defined Benefit Pension Plans**

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the state of California.

The risks of participating in these multiemployer defined benefit pension plans are different from single employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if the School chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. The School has no plans to withdraw from this multiemployer plan.

**State Teachers' Retirement System (STRS)**

Plan Description

The School contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiemployer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability, and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2022 total STRS plan net assets are \$300 billion, the total actuarial present value of accumulated plan benefits is \$434 billion, contributions from all employers totaled \$6.513billion, and the plan is 74.4% funded. The School did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and [www.calstrs.com](http://www.calstrs.com).

**NOVATO CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023**

**NOTE 6 EMPLOYEE RETIREMENT (CONTINUED)**

**State Teachers' Retirement System (STRS) (Continued)**

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2023 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The School's contributions to STRS for the past three years are as follows:

<u>Year Ending June 30,</u>	<u>Required Contribution</u>	<u>Percent Contributed</u>
2021	\$ 181,379	100%
2022	\$ 208,838	100%
2023	\$ 238,985	100%

**Public Employees' Retirement System (PERS)**

Plan Description

The School contributes to the School Employer Pool under the California Public Employees' Retirement System (CalPERS), a cost-sharing multiemployer public employee retirement system defined benefit pension plan administered by CalPERS. Plan information for PERS is not publicly available. The plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the Public Employees' Retirement Law. According to the most recently available Actuarial Valuation Report for the year ended June 30, 2022, the School Employer Pool total plan assets are \$79.3 billion, the present value of accumulated plan benefits is \$113.7 billion, contributions from all employers totaled \$3.55 billion, and the plan is 69.8% funded. The School did not contribute more than 5% of the total contributions to the plan.

Copies of the CalPERS' annual financial reports may be obtained from the CalPERS Executive Office, 400 P Street, Sacramento, CA 95814 and [www.calpers.ca.gov](http://www.calpers.ca.gov).

Funding Policy

Active plan members are required to contribute 8.0% of their salary for Public Employees' Pension Reform Act (PEPRA) members and 7.0% of their salary for classic members. The school is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the CalPERS Board of Administration. The required employer contribution rate for year ended June 30, 2023 was 25.37%. The contribution requirements of the plan members are established and may be amended by state statute.

**PURPOSE OF SCHEDULES**

**NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME**

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the provisions of California Education Code.

**NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE**

Average daily attendance is a measurement of the number of pupils attending classes of School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

**NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS**

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Novato Charter School  
Novato, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Novato Charter School (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 14, 2023.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

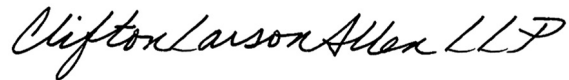

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the School’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND REPORT ON INTERNAL CONTROL OVER STATE COMPLIANCE

Board of Directors  
Novato Charter School  
Novato, California

### **Report on Compliance**

#### ***Opinion on State Compliance***

We have audited Novato Charter School's (the School) compliance with the types of compliance requirements applicable to the school described in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2023. The School's applicable State compliance requirements are identified in the table below.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that are applicable to the School for the year ended June 30, 2023.

#### ***Basis for Opinion***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Our responsibilities under those standards and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel are further described in the *Auditors' Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

#### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's state programs.

### **Auditors' Responsibility for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**Compliance Requirements Tested**

In connection with the audit referred to above, we selected and tested transactions and records to determine the School’s compliance with the laws and regulations applicable to the following items:

<u>Description</u>	<u>Procedures Performed</u>
School Districts, County Offices of Education, and Charter Schools:	
California Clean Energy Jobs Act	Not Applicable <sup>1</sup>
After/Before School Education and Safety Program	Not Applicable <sup>2</sup>
Proper Expenditure of Education Protection Account Funds	Yes
Unduplicated Local Control Funding Formula Pupil Counts	Yes
Local Control and Accountability Plan	Yes
Independent Study-Course Based	Not Applicable <sup>3</sup>
Immunizations	Not Applicable <sup>4</sup>
Educator Effectiveness	Yes
Expanded Learning Opportunities Grant (ELO-G)	Not Applicable <sup>5</sup>
Career Technical Education Incentive Grant (CTEIG)	Not Applicable <sup>6</sup>
Transitional Kindergarten	Yes
Charter Schools:	
Attendance	Yes
Mode of Instruction	Yes
Nonclassroom-Based Instruction/Independent Study	Yes
Determination of Funding for Nonclassroom-Based Instruction	Not Applicable <sup>7</sup>
Annual Instructional Minutes – Classroom Based	Yes
Charter School Facility Grant Program	Not Applicable <sup>8</sup>

Not Applicable<sup>1</sup>: The School did not have any expenditures for California Clean Energy Jobs Act in the year under audit or a completed project between 12 and 15 months prior to any month in the audit year.

Not Applicable<sup>2</sup>: The School did not operate an after or before school program component of this grant.

Not Applicable<sup>3</sup>: The School did not report ADA pursuant to Education Code section 51749.5.

Not Applicable<sup>4</sup>: The School did not have any charter school subject to audit of immunizations as listed in the California Department of Public Health (CDPH) website as listed in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*.

Not Applicable<sup>5</sup>: The School did not have any expenditures relating to ELO-G for the audit year.

Not Applicable<sup>6</sup>: The School did not receive a CTEIG allocation for the audit year.

Not Applicable<sup>7</sup>: The School did not report more than 20% of its ADA as generated through nonclassroom-based instruction (independent study).

Not Applicable<sup>8</sup>: The School did not receive Charter School Facility Grant Program funding for the year audited.

### **Other Matters**

The results of our audit procedures disclosed instances of noncompliance, which are required to be reported in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* and which are described in the accompanying schedule of findings and questioned costs as item 2023-001. Our opinion on each state program is not modified with respect to this matter.

*Government Auditing Standards* requires the auditor to perform limited procedures on the School's response to the noncompliance findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

### **Report on Internal Control over Compliance**

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be a significant deficiency.

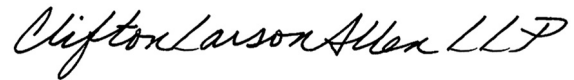

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2023-001, to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

*Government Auditing Standards* requires the auditor to perform limited procedures on the Schools' response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. the Schools' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Board of Directors  
Novato Charter School

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

**2023-001 Nonclassroom-Based Instruction/ Independent Study 40000**

**Criteria:** Per Education Code section 51747(g), a written independent study agreement must contain all the required elements including all required signatures on the agreement within 10 days of commencement for students in independent study less than 15 days.

**Condition:** During nonclassroom-based/independent study pupil testing we found that 1 pupil in seventh grade did not have all the required signatures on the master agreement within the required 10 days for short term independent study.

**Effect:** Novato Charter School is not in compliance with Education Code section 51747(g) and overreported P2 ADA by 0.02.

**Cause:** Student signatures were not obtained within 10 days of commencement.

**Questioned Costs:** The ADA impact is .02 resulting in a decrease in apportionment of \$226.

**Repeat Finding:** This is not a repeat finding.

**Corrective Action Plan (Unaudited):** The Organization has implemented a monitoring system to ensure all agreements are completed accurately and all signatures obtained prior to claiming independent study ADA.
